Contribution to maintenance of facilities $ 100.00 Deposit $ 100.00

The applicant and its representative hereby state that they will accept full responsibility in exercising proper supervision and care of equipment and in the use of facilities requested under this application, and each of them agrees to hold the College harmless for all claims and liabilities for injury to or death of persons or damage to property arising out of or in any way relating to applicant's use of said facilities and/or equipment. Applicant agrees to furnish such liability or other insurance for the protection of the public and the College as the College may require.

Applicant and its representative hereby further agree that each will be responsible and will pay the College for any damage to College building, furniture, or equipment arising out of or in any way relating to the exercise of this permit.

Applicant and its representative agree that any publicity which will carry the name of Dominican College must be approved by the College's Public Information Office at least 3 weeks prior to the scheduled event. The College retains the right to reject any publicity which may be unsuitable to carry the Dominican name.

Representative's signature S. Leonard

Date 4/4/90

Upon payment of the above contribution to maintenance of facilities, the applicant is eligible to use school facilities and equipment subject to College policy and regulations, and approval is granted for use as stated in application. Payment should be remitted with signed contract.
